

Topic Web - How has the RNLi Shaped Cornwall's Maritime Legacy: Exploring Key Figures and Watershed Moments?

Summer Term
2024 Class 1

During the final topic of the school year, we will be exploring the history of the RNLi with a special focus on its Cornish heritage. We will explore a variety of poems to see if we can discover the style we love. As the rest of the school enjoy the experience of the poetry slam, we will match them in school by learning to perform our own poems with style and flair. We will have lots of fun with all of the extra events like Sports Day, and the transition activities in our new class groups.

As historians, we will

learn about how the RNLi began, important people from its history and significant Cornish rescues where everyone was saved.

As mathematicians, we will:

In Y1, learn about time including; days of the week, months of the year and to identify the hour and half hour. We will also be learning to use and recognise money and place value in number.

As learners about different faiths, we will:

find out about how Muslims celebrate and commemorate key events within their lifetime.

As artists we will:

design and make 3D sculptures inspired by the life and works of Barbra Hepworth.

In YR we will be sharing, grouping, building patterns and creating maps.

As IT specialists, we will:

understand that computers store data. We will enter, sort and filter our own data using a spreadsheet.

As scientists, we will:

learn about the different seasons, how everything changes around us and what causes this to happen.

In PSHE, we will:

learn about the human body, including scientific names for all body parts. We will discuss privacy and saying 'no'. We will talk about changes as we reach the end of our school year.

As athletes, we will:

practise a range of athletics events including running, jumping and throwing. All in preparation for Sports Day.

As readers and writers, we will:

immerse ourselves in the wonderful world of poetry. We will write our own shape poems and explore a variety of other styles of poems including riddles. We will use the book 'The Lighthouse Keepers Rescue' to guide our narrative writing.

As musicians, we will:

review all of the different songs and styles of music that we have learned about this year.
