

## Topic web—Are smugglers and pirates the same thing?

This term, as winter draws in and Christmas looms ever closer, we will explore the exciting topic of smugglers and pirates. We will delve into local Cornish tales and stories to discover more about our rich history

As **mathematicians**, we will be exploring addition and subtraction. Looking at combining parts to make a whole and how to record addition and subtraction sentences.

As **readers and writers**, we will be reading and exploring The story 'The Suitcase, by Chris Naylor-Ballesteros. Moving on to The Big Book of the UK, by Imogen Russell Williams. Alongside this, we will continue with daily RWInc.

As **athletes**, we will be exploring how we control our movements; including balancing, travelling and moving and throwing, catching and controlling a ball.

As **historians**, we will find out all about Cornwall's history of pirates and smugglers. We will compare the two and find out if they are the same?

As **scientists**, we will initially look at how the season is about to change from autumn to winter. Following this, we will be learning about the human body, naming its parts and then looking in detail at the five senses.

During **design technology**, we will problem solve for Pirate Paddy and see if we can help him fix his packed lunch delivery system.

As learners of different **faiths**, we will learn about Christian beliefs around Christmas, advent, nativity and how people celebrate Christmas around the world.

In **PSHE**, we will learn about everyday dangers, in the home and outside, and how we can keep ourselves safe. We will learn about the 'underwear rule' and keeping privates, private.

As **musicians**, we will continue to explore rhythm, repetition, singing and movement to music.

As **ICT technicians**, we will become TV chefs and learn to film ourselves giving instructions and teaching others.
