

Class 1 – Art – Texture

Concept— The ability to express ideas visually through the use of line, shape, form, contrast and texture.

Natural Materials

Andy Goldsworthy makes his art in circles and swirls. Richard Long arranges his collages into strips almost like a road or path.

Collage Artist—

Henri Matisse

He called collage “painting with scissors”

Vocabulary

Texture - How something feels when it is touched.

Collage - Layering different material to make a picture.

Tearing - Splitting a material into two parts using your hands.

Material - What something is made from.
