Finger puppet

Hand Puppet

Sock Puppet

Safety Rules

Only walk with scissors if you really need to do so. Always walk very slowly and watch where you are going when carrying scissors.

Hold the blade down when walking with scissors.

Sit down to do your cutting.

Pass scissors handle first to your friends.

Key Vocabulary

puppet - a character that can be controlled

fabric - cloth that is woven or knitted.

join - to put, bring, or fasten together.

template - a shape to cut around

Different joining techniques
