Whole School Approach to Teaching and Learning:

Landulph Primary School is an inclusive school. All staff are committed to being proactive in identifying and providing for the needs of all children in a wholly inclusive environment. All teachers are teachers of children with special educational needs and disabilities. As such, we adapt a 'whole school approach' that involves all the staff adhering to a model of good practice. The Governing Body and teaching staff will do their best to ensure that the necessary provision is made for any pupil who has special educational needs and disabilities. We successfully work with children with a range of needs across the four areas of need as stated in the Code of Practice, including:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health
- Physical and/or Sensory Needs

The school will actively seek the involvement of parents/carers in the education of their children. It is recognised that it is particularly important with pupils who have special educational needs and disabilities, where the support and encouragement of parents/carers is often the crucial factor in achieving success. The school will also work to ensure that pupils are fully aware of their next steps. Efforts will be taken to involve pupils in decisions that are taken regarding their education.

Our Universal; Targeted; Personalised provision can be found ([here](#)):

Our Graduated Response for Learners:

- Continual monitoring of the quality of teaching
- Identification of children whose needs are additional and different and who require SEN Support; placement on the School’s Record of Need; initiation of “assess, plan, do, review” cycle.
- Consideration of application for Education, Health and Care Plan.
- All children/young people identified as requiring SEN Support, or with an Education, Health and Care Plan (EHCP) are on our Record of Need.

How we identify children/young people that need additional or different provision:

- Class teachers record their concern on a SEND Concern form which is given to the SENDCO.
- Observations, marking and analysing pupil’s work.
- Regular discussions with parents and carers, both formal and informal.
- Termly pupil progress meetings
- Ongoing curriculum assessments. School academic reports.
- Tracking progress using data to inform APDR, including assessment, attendance, behaviour and student voice ‘All About Me’.
- Further assessments by specialists, including those from external agencies linked to the four classifications of need.

We take a holistic approach by considering all aspects of a child’s development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEND, is set out in our School Offer. Our measures to prevent bullying can be seen in our Anti-bullying policy. Our measures to keep all children, including children with SEND, safe are outlined in our Safeguarding Policy.

How we listen to the views of children/young people and their parents:

<u>What</u>	<u>Who</u>	<u>When</u>

Support Staff Deployment:

Support Staff Deployment: Support staff were deployed in a number of roles:

- Targeted support in class, individual and group.
- Small group intervention out of class
- Playground support
- Lunchtime support
- PPA Cover (HLTA)
- First Aid

We monitored the quality and impact of this support by: observations, Intervention Plan Reviews, book scrutiny, pupil conferencing and learning walks.

Distribution of Funds for SEND:

This was allocated in the following ways:

- Support staff
- External Services (See School Offer)
- Teaching and Learning resources
- Staff training
- Specific SEND resources e.g. sensory items
- Specialist Provision

Continuing Development of Staff:

- Developing and celebrating a whole School SEND ethos.
- How to set SMART Targets and how to support.
- RWInc & Fast track tutoring – supporting SEND pupils
- Check & Challenge
- Anxiety, Mental Health & protected behaviours
- Oracy & phonological awareness training

We measure the impact of this training by monitoring teaching and learning and our whole school assessment tracking.

Partnerships with other schools and how we manage transitions:

We have worked with several schools in the area in the following ways:

- Transition to Secondary Schools
- Transition into our Foundation Class
- Transition into Landulph School from other schools during this period, 2 pupils requiring SEND Support came to us from another setting.

We ensured that the transition from Nursery to Foundation was smooth by regular communications, including visits, between relevant school staff, the feeder Nurseries and parents. For all year groups, the relevant school staff met to share information regarding all individual pupils during the Summer term. Some pupils on the SEND Record of School Support had additional transition support for preparation to move into the next class. The transition of Year 6 to secondary schools was supported through the sharing of information between the Year 6 teacher and the schools' SENDCOs. Pupils with SEND received enhanced transition packages.

Ongoing development:

We work hard to ensure that any areas of support for our learners which can be improved, are identified and strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEND Development/Action Plan.

Our complaints procedure:

Our complaints procedures can be found on our school website.

There have been no complaints about SEN support and provision in the academic year 2023-2024.
